

2023-2024 Academic Year Scholarship To McLennan Community College

Dear Chief and Agency CEO,

The 100 Club Heart of Texas (100 Club) is excited to announce a new initiative to assist the families of our McLennan County first responders. First responders include paid or volunteer: law enforcement, firefighters, emergency medical responders working under contract with the County or a City, and jailers who receive pay from the County. In association with the McLennan Community College Foundation (Foundation) we created a \$1000 academic scholarship, for a selected student whose parent is a first responder, to attend MCC during the **2023-2024 academic year**. Any McLennan County first responder/and or surviving family who has a child accepted to, or attending MCC as a fulltime student for the 2023-2024 academic year, is encouraged to have their child apply. The scholarship is listed in the Foundation's list of scholarships as the "McLennan 100 Club Academic Scholarship". Students will apply during the application window between May 1, 2023, and May 15, 2023, using the following web link:

https://mclennan.academicworks.com/users/sign_in.

Any student applying at the above link **should** also send an email to the 100 Club at director@100Clubhot.com so we can make sure all qualified students are considered. The student should provide their name along with the name of their first responder parent and agency/department. The priority of the 100 Club will be to award the scholarship to a child of a line-of-duty deceased or disabled first responder. If there are no qualified student candidates in that category, the qualified child of any first responder will be considered.

This is a scholarship endowed by the 100 Club and will be awarded each year to a qualified child of a McLennan County first responder. The 100 Club will announce and publish this year's selected candidate in June 2023. Thank you for distributing this message and opportunity to the first responders working in your agency. If you have any questions, contact 100 Club Executive Director, Brent Stroman using the contact information below.

Respectfully,

Brent E. Stroman
