100 Club Heart of Texas Responds to Local Tragedy

Local 100 Club is working with law enforcement and the community to help with the financial needs of the Roberts family.

“It was with great sadness that members of the 100 Club Heart of Texas learned of the death of MCC Police Officer Ricky Roberts. We so much appreciate his service as an Officer in our police agencies in McLennan County, and the sacrifice his family made as he served and protected our citizens. We hope that our members and our community will stand together as we support his family through this time of loss,” said 100 Club Heart of Texas Executive Director, Brent Stroman.

In honor and appreciation for that service and to help his family during this difficult time, the 100 Club Heart of Texas through the Board of Directors has set up several ways for the community to make donations which will be given to Roberts’ family.
