100 Club Heart of Texas Motto:
"Serving Those Who Serve Us"

Lest we forget

Our daily activities are hectic and sometimes confusing. That's the way life is no matter our station in life or our season of life. Yet we live in a country which by right, we are free to enjoy life and express ourselves as individuals and in groups. The brave men and women in our military keep us secure in that freedom as they protect us from threats outside our national borders.

The brave men and women of police and fire service are our civilian guardians who keep the peace and protect us in our homes and communities. Our Club members thank McLennan County police and fire first responders for their service.

Brent E. Stroman, Executive Director
Chief of Police (ret.) Waco Police Department

Meet the New Chief For Robinson PD

We welcome Rich Andreucci as the new Chief of Police for the City of Robinson. He comes to McLennan County from the Sunset Valley Police Department in Travis County. He has been a police officer for 17 years and most recently served as an operations lieutenant. Rich received a bachelor's degree in criminal justice from Midwestern State University. He's a graduate of the Leadership Command College, the Texas Department of Public Safety Fitness Institute and certified as a personal trainer by the American College of Sports Medicine.

Rich's wife, Candace, is a special education teacher at Midway High School. He has two children; one is a college freshman living in Austin and the other is a freshman at Midway High School.

Rich is extremely passionate about community policing and involving the community in the day-to-day operations of his agency. He strongly believes there's never been a better time to be a police officer; as we have the opportunity to advance our profession and engage those we serve. His goals are to earn the trust of those he serves through ensuring his officers know and use the principles of procedural justice. Rich believes law enforcement is a small portion of our job and we are peace officers first and foremost.
