**WACO** – On Friday, March 29, McDonald's restaurants across South and Central Texas will hold a fundraiser to support local 100 Club chapters in their mission to provide financial support to family members of law enforcement officers and firefighters who have been killed or seriously injured in the line of duty. The fundraiser will take place on Good Friday from 11 a.m. to 2 p.m. and 10% of lunch sales will benefit 9 organizations: [The 100 Club](#), [The 100 Club of Central Texas](#), [The 100 Club of Comal County](#), [100 Club of Corpus Christi](#), [100 Club of the Heart of Texas](#), [Hill Country 100 Club](#), [100 Club of Kendall County](#), [100 Club of Gillespie County](#) and [100 Club of San Antonio](#). Locally, funds will be donated to 100 Club of the Heart of Texas.

"We are grateful to McDonald's for choosing the 100 Club Heart of Texas as the recipient of donations for the Good Friday Fundraiser," said Brent Stroman, Executive Director of the 100 Club Heart of Texas. "Over the past many years, McDonald's has been a valuable partner in supporting our Club and the first responders and their families in McLennan County."

Customers are invited to participate in the fundraiser by simply visiting their local McDonald's restaurant on March 29 during lunchtime and purchasing anything on the menu. The fundraiser was established in 2001 in San Antonio and has raised more than \$500,000 to local 100 Clubs since its inception.

"It's a privilege to support our local 100 Club chapter here in McLennan County," said David Glaser, local McDonald's Owner/Operator in Waco. "We invite the community to stand with us in showing support for our courageous first responders this Good Friday."
