NOW SERVING TELECOMMUNICATORS

WACO, TEXAS (December 10, 2024) — Telecommunicators are now covered under the Heart of Texas 100 Club Service Group! This addition took effect December 1, 2024.

We are excited to say this is all possible because of donations through memberships, community fundraisers, and our annual benefit. Our service group now includes law enforcement officers, firefighters, emergency medical responders, jailers, and telecommunicators.

That's over 2,100 more first responders, and their families, we get to support in McLennan County!

About the 100 Club

Established in 2012, the 100 Club in the Heart of Texas is a citizen-based, non-profit organization that raises funds to help pay funeral expenses, relieve mortgage or other debt, and cover educational expenses for the family of first responders killed in the line of duty. The Club receives no government support, is non-political, and is entirely volunteer-driven.

Surviving spouses and dependents of all paid and volunteer local, county, state, and federal law enforcement officers, firefighters, corrections officers, and emergency medical responders working in McLennan County may receive benefits from the club.

[Please visit our website](#) for more information and how you can support your local first responders.
